CUMMINS COLLEGE OF ENGINEERING FOR WOMEN

From,
Shrreya Bhattacharya
Google Student Ambassador 2014-15
Cummins College of Engineering for Women,
Pune, Maharashtra.

To,
Manali Gadre,
Cummins College of Engineering for Women,
Pune, Maharashtra.

Hey Manali,

I can't thank you enough for your fantastic help in developing *Android and Digital Marketing skills* on campus, spreading the word about Google technologies, for being part of enabling students and faculty with great tools which make their lives easier, and for your passion to make a positive change on campus.

I would like to highlight in particular your contribution in managing the logistics of the events we organised.

You are awesome! Stay that way!
